SCHOOL Birmingham, Alabama

The Senior Class of 1961

Foreword

How shall we define the Spirit of Ensley High School? It is a Spirit, almost indefinable, dwelling deep in the heart of every Ensley student who seeks and finds. It is a Spirit found in the serenity that comes from worship, the challenge that comes from striving to attain the honorable, the wisdom that comes from gaining knowledge, the security that comes from knowing teachers as friends, the glory that comes from participating in sports, the joy that comes from seeing beauty, and the relaxation that comes from spending moments in leisure. It is seen in the setting sun, the first star of evening, the fog-filtering lights on a misty night, the flowers of spring and the leaves of autumn, and the amber glow of the steel mills at night. It is heard in the music drifting from the choir room, the singing of the Alma Mater, the shouts of encouragement at the football games, the laughter and the tears. It is felt in the warm friendships, the "gab" sessions, the genuine concern of one student for another, the teamwork in the classes, in the morning watch and Christmas concerts. It is found in all things an Ensley student loves.

This is the Spirit of Ensley as we see it

MR. ERSKINE VANDEGRIFT

It's the twinkle in his eye that puts
the sparkle into education.

To Mr. Erskine Vandegrift we, the senior class, dedicate "The '61 Jacket"
in appreciation of your spirit of loyalty to the school and your patient under-
standing of the students.

OUR

PRINCIPAL

Our principal, Claude E. McLain, better known as "Coach Mac", came to Ensley in 1939. Since then his leadership has brought championship honors to Ensley many times in basketball and baseball. Mr. McLain has also assisted in leading our football team to victory.

When he became boy's advisor most of the coach's time was spent guiding our boys individually, instead of as a team. Eventually, in 1958 Mr. McLain became principal of Ensley High School.

During the past three years the long anticipated library has been completed. Another recent improvement to our building is the remodeled offices. These along with the many intangible things our principal has done for us have gained for him the respect of all the students.
